HARSHITA VERMA

B.Tech CSE Student

I am a B.Tech Computer Science student with a strong interest in cloud computing and software development. I have knowledge of C, C++, Python, HTML, and CSS. I am passionate about building real-world projects and continuously improving my technical and problem-solving skills.

EXPERIENCE

BSNL Internship | 2025 Intern

Completed internship at BSNL where I gained practical knowledge of networking and communication systems. Learned about basic telecom operations, network structure, and real-world implementation of communication technologies. Developed understanding of troubleshooting, teamwork, and professional work environment.

Academic Project: Crop Quality Measurement using Web Technology | 2025 Developer

Developed a web-based project for analyzing crop quality using modern web technologies. Designed frontend using HTML and CSS, focusing on user-friendly interface. The project aims to help in evaluating crop conditions and improving agricultural decisions. Enhanced skills in web development, problem-solving, and project management.

TRAINING & CERTIFICATIONS

IBM Cloud Certification (Programming & Cloud Computing)

Completed certification in programming and cloud computing provided by IBM. Gained knowledge of cloud platforms, deployment models, and basic programming concepts. Improved understanding of real-world cloud applications.

ADCA (Advanced Diploma in Computer Applications)

Completed ADCA certification covering fundamentals of computer applications, MS Office, database management, and basic programming. Developed strong foundation in computer operations and software handling.
